6. [ ] Delivered to Miss Josephine Chavez, in the office of Senator Clinton P. Anderson (D., N. Mex.), a letter from Mr. McCone enclosing copies of letters of 8 January 1962 to [ ] and his uncle, [ ] concerning employment rejection of [ ]

Miss Chavez was advised that the Director desired that it be brought to the Senator's attention that this young man, within a matter of days after the reference of his application to us, was giving out the word that he was soon to take over Agency operations. [ ] Such indication does not recommend the individual for further consideration by this Agency. Miss Chavez indicated that she felt certain Senator Anderson would be appreciative of this advice from Mr. McCone. As an aside, it was indicated that their office had experienced some difficulty in correspondence with the uncle, [ ] which had required specific verification by the Senator of information previously provided the uncle by the Senator's office. No further action on this matter is contemplated.

7. [ ] Received from the House Committee on Merchant Marine and Fisheries one copy of the hearings under H. Res. 38, 79th Congress, before the Committee which were held on 23, 24, 25 and 26 September 1946 (79th Congress) concerning investigation of shipyard profits. Mr. Bernard J. Zincke, Counsel to the Committee, stated that they had but a couple of copies of the hearings left and desired that this copy be returned.

8. [ ] Mr. Warner was briefed by [ ] Security Officer, Office of Logistics, concerning the reference from the office of Chester A. Emerick, Bureau of Customs, concerning a constituent request received by Senator Ralph W. Yarborough (D., Tex.) for information on 22 railroad carloads of small arms ammunition observed on a siding in Brownville, Texas. The cartons indicated manufacture in Russia and Germany. Mr. Emerick had advised the Senator's office that someone would be up to discuss the matter.
